# **Advanced Art Seminar**

With

## **Douglas Grigar Master Screen Printer**

Having graphic production issues?

Do you need a more advanced technical class answering your specific needs?

Do you have any questions or problems you need addressing?

Do you have a basic knowledge of vector drawing and photo-manipulation but wish to build upon your knowledge?

Do you wish to further understand the specific graphic needs for screen printing?

## **The Course**

This course is based around you. Advanced Art is more of a workshop in that students and Doug will introduce topics that you wish to know the answers/solutions to.

If you are a graphics professional or heavily involved in the art-to-positive graphics process, this full day art production workshop was designed for you.

**PREREQUISITE** - a basic working knowledge of vector drawing and photo-manipulation programs is necessary. i.e. Corel or illustrator. With your own knowledge base to build upon, this workshop will help you understand the specific graphic needs for screen printing.

## **Course Content**

- Reviewing vector drawing and Photoshop programs
- Basic positive and stencil needs
- Choosing the right positives and printer for your needs
- Understanding, Preparing, and printing colour separations
- Printing positives and positives overview
- Dots and "halftones"
- Matching art to mesh and stencil
- Dealing with customer provided or outside art
- Art-to-print concepts and terminology (choke, trap, butt, what they are and when and how to use them)
- Screen printing limitations on graphics
- The effects of garment colour on printed graphics and how to use that to your advantage
- Under-base or underlay colours
- Overview of four colour process
- Overview of spot colours and "spot process/simulated process"
- Design tips for graphics on garments
- Effects of mesh and emulsion on printed graphics
- Open forum to answer specific to art production questions

## **Your Instructor**

Douglas Grigar is known as a master screen printer, educator, production artist, and separation specialist. He founded a speciality direct marketing t-shirt business and has first hand knowledge of running a screen printing business. At present he is concentrating on industry educational classes, seminars and workshops.

An educator for 10 years presenting at the Vastex manufacturing plant in Allentown, Douglas is a lifetime artist and expert in the major graphics programs utilised by the screen printing industry. He is a full time enthusiast and student on all matters relating to screen printing technology and the industry as a whole, hence he continuously updates his educational materials to inform his students of the very latest techniques.

## **Costs**

£225 +VAT per person for the day including lunch, all course materials and post-course support.

## **How to Book**

Please visit our website at [www.dalesway.co.uk](http://www.dalesway.co.uk) and complete the online booking form or contact us directly on 03303 500 524. Payment in full is required at the time of booking.

## **About Us**

Dalesway was established in 1995 and is a family run business, based in Barnoldswick, Lancashire. We welcome visitors to our beautiful old building to attend demonstrations of our printing equipment.

Dalesway provide a diverse range of printing solutions for both promotional and industrial marking applications. From artwork production to consumables and complete start-up packages at different price points, we aim to offer something to suit every need and budget.

[www.estatehousewestmarton.co.uk](http://www.estatehousewestmarton.co.uk)

(5miles away)

Rooms are available at all locations starting from £50 on a bed and breakfast basis. Please book directly with the hotels. If you have any problems with your bookings, please contact the hotels directly.

## **Cancellation Policy**

Our screen printing classes are led by one of the industry experts, Douglas Grigar, who travels from the USA for each occasion. Places on these courses are kept to a very limited number, so cancellations could result in a class not being full. If you need to cancel three weeks or more prior to the class, we will transfer your booking to another class of equal value within one year of invoice, or refund 75%. If you cancel less than three weeks prior to the class, we will only be able to transfer your booking to another course (to be used within one year of original invoice) if we are able to fill the spot.
